City of Cloverdale

Located 80 miles north of San Francisco, Cloverdale is nestled among gently rolling hills and lush vineyards at the top of the renowned Alexander Valley. Cloverdale is the hidden gem of Sonoma Wine Country. Its older homes, tree-lined neighborhoods and friendly residents give the city a small town character that visitors from urban centers love to experience. Downtown Cloverdale is easily walkable with a cultural corridor of innovative art galleries, Performing Arts Center, Sculpture Trail, restaurants, shops, and Cloverdale Museum and History Center.

Geyserville

The community of Geyserville, a neighbor south of Cloverdale, also produces yearly an outdoor sculpture exhibit; the Geyserville Trail. For additional information contact Victoria Heiges at heiges123@yahoo.com.
